## BIG SUR

The Big Sur Bedroom by Panama Jack® is a fresh interpretation of a rustic chic look. The tops have a "Live Edge" created with a thick solid wood rim that is shaped by hand for the appearance of a cut log. All the tops show a man-made season split and a bow-tie cleat to simulate a board that has cracked and held together by a dovetail bow-tie. The case bases and bed base have a textured black finish with wear through and distressing.

*Big Sur top surfaces (and Bed headboards) are made of Okume veneer with a extra thick solid wood rim of Indonesian Mahogany shaped like the cut log. The man-made season splits are accented by simulated dovetail joinery.*
