BRIDGEHAMPTON

By Panama Jack.

Panama Jack's BRIDGEHAMPTON Bedroom group reflects the coastal feel of its namesake—the quaint hamlet on New York's Long Island; bringing to mind cedar-shaked homes, cool breezes, and sandy beaches. The distinct lines, woven textures, solid footing, and white stained finish define the casual allure of these pieces.

The natural graining of the collection's Poplar solids and veneer is captured in a neutral soft white finish—allowing the group complete versatility in any bedroom decor.

The textural element of woven natural seagrass enhances the visual appeal on the Headboard and Footboard, and accents the group's casegood sides and upper drawer fronts. Drawers are punctuated with round Antique Silver finish knobs for easy opening.

As with all Panama Jack collections, function is a priority with full extension metal drawer guides for smooth operation and anti-tip safety mechanisms fitted on all casegoods.

Escape in the fresh comfortable style of BRIDGEHAMPTON.

DETAILS

BRIDGEHAMPTON casegood chests and dressers have upper drawers (and side panels) embellished with natural seagrass. All drawers are accented with Antique Silver knobs. These spacious drawers also feature English Dovetail construction with full extension metal drawer guides for smooth operation. Casegoods also feature anti-tip safety mechanisms.

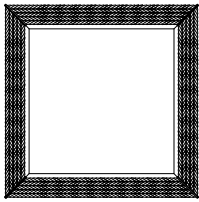

BRIDGEHAMPTON bedroom pieces have a generous textural appeal through the use of natural woven seagrass on headboards and footboards. The feel continues with seagrass punctuating casegood sides and drawer fronts and fully framing mirrors.

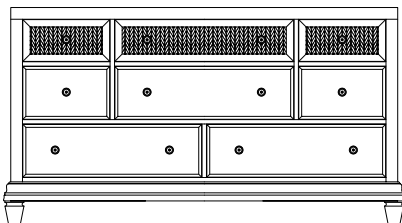

The soft Cream finish on the Birch veneer complements the natural color of the seagrass.
